

SECTION 320    SALARY of NON-UNION EMPLOYEE'S

The salary of all non-administrative employee's not represented by a union, shall be set by the School Board, (recommendations will be submitted by the Business Administrator). Temporary employee's rate of pay will be determined by the Business Administrator, not to exceed the maximum hourly limits agreed by the board.

The Business Administrator will meet annually with said group to get employee input on salary, benefits and conditions of employment.
