

SECTION 504 STUDENT ABSENTEES

The parents or legal guardian have the responsibility to inform the school as soon as possible that the child will be absent. Notwithstanding this parental responsibility, as an accommodation the Portage School District will attempt to verify all absences of students during the course of that school day. Parents, legal guardian, or alternate persons as specified, will be telephoned to ascertain if their child was expected at school that day. In cases where the parent, legal guardian, or alternate person cannot be reached the school will record the date and time the call was made and file such.
