

Section 527 - Locker Room Privacy

Locker rooms are provided for the use of physical education students, athletes and other activity groups or individuals authorized by the building principal or Board policy. The District recognizes the privacy rights of individuals using the locker room and shall take reasonable measures to protect an individual's privacy.

No one will be permitted to enter into the locker room or remain in the locker room to interview or seek information from an individual in the locker room at any time. Such interviews may take place outside of the locker room consistent with applicable District policies and/or school rules.

Under no circumstances may cameras, video recorders or other recording devices be used in the locker room. Also, no person may use a cell phone to capture, record, or transfer a representation of a nude or partially nude person in the locker room or to take any other photo or video image of a person in the locker room.

Persons violating this policy shall be subject to appropriate disciplinary action in accordance with District procedures and/or penalties under state law or local ordinance. The building principal or his/her designee shall be responsible for enforcing this policy.

This policy shall be publicized annually and posted in each locker room in the District.
