

NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who is a Wisconsin resident and has an IEP or service plan may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program. To be eligible for a four-year-old program, the child must be four years old by September 1st and for a five-year-old program, five years old by September 1st of the school year for which they are applying.

This is a state-administered program. A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined under section 115.7915 of the state statutes. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially began in the 2016-2017 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <http://dpi.wi.gov/>
