

Dear John Muir Parents,

Each school year the Parent Teacher Club hosts several events for John Muir students. We are in need of parents who are able to help out with these events. Please take some time to consider helping with each of the events listed below. Write your name and contact information on the bottom of this paper and return it to school with your child. Your time is valuable to us! Every time you volunteer at your child's school, you are making a difference in not only your child's life, but many others as well.

Thank you in advance for help John Muir Elementary be world class!
